After an investigation of the death of John Pa Kaeo, a seaman, who was drowned when a boat of the Inter Island steamer Wai'alele overturned, Capt. J. J. Meany and Capt. Thomas Heeney, steamboat inspectors, decided that it was accidental drowning and exonerated the officers and crew of the steamer.

## Shipping & Waterfront News

### MATSONIA HAS A DARIEN MARU IS BIGGER CARGO FOR HERE IN WITH BIG CARGO

With only about half her capacity cargo the Matson steamer Matsonia from San Francisco will arrive here Tuesday morning and dock at Pier 15. The amount of freight, however, brought on the Matson steamer is increasing with the arrival of every steamer and it is expected that in a short time the strike-breakers will become accustomed to the handling of freight and the steamers will again run with full cargoes.

The Matsonia has 527 bags of mail, 211 cabin and 33 steerage passengers, 408 packages of express matter and 4755 tons of freight for Honolulu, 542 tons for Hilo and 25 tons for Kaunapali and 117 for Kahului for transshipment.

The cargo consists of 1900 tons railroad delivery, 652 tons cement, 407 tons merchandise, 151 tons fertilizer, eight automobiles, 1084 tons of feed and 665 bales of hay.

One day ahead of time, the T. K. K. chartered steamer Darien Maru, Capt. K. Nasu, arrived here this morning from Manila, Hongkong, Kobe and Yokohama with one of the largest cargoes that an Oriental steamer has ever brought to this port. She will sail for San Francisco Sunday afternoon at 4 o'clock and will not take mail. From the Orient she brought 60 bags of mail. Total freight on board is 5852 tons.

Total freight for Honolulu was 2362 tons and consisted of 3034 bags of beans, 645 packages Chinese merchandise, 25 packages tobacco, 500 bags of corn, 145 cases of matches, 42 bags millet, 2151 cases-miso, 120 packages assorted pills, 10 bags peanuts, 1509 cases pickles, 5567 packages provisions, 26,380 bags rice, 870 cases sake, 5790 tubs shoyu, one case silk goods, 345 packages tea, 214 packages bamboo ware and 3192 packages of sundries.

For San Francisco the Darien has three bags of mail and 2115 tons of freight, which consisted of bone meal and graphite and the same kind of goods which will be discharged here. The Darien Maru made the trip from Yokohama in 16 days, which is fast for a tramp steamer. On a former voyage she made it in 18 days. She left Manila June 10, Hongkong June 16, and Yokohama June 29.

According to officers on board the freight rate charged for her cargo averages from \$7 to \$8. Congestion of freight in Japan is much relieved as the past month has seen a large number of vessels leave Oriental ports with full cargoes.

### CHINA WILL BE HERE MONDAY FROM JAPAN

According to a radio received this morning at the office of H. Hackfeld & Co., the China Mail steamer China, Captain Dobson, will arrive off port at daybreak Monday and will probably dock at Pier 7. She will leave the same afternoon for San Francisco and will take mail.

The China has 11 cabin, three second, and 10 steerage passengers and 225 tons of freight for Honolulu. The radio did not state the amount of mail for Honolulu, but it is expected that she will have several hundred bags as there has not been a steamer from the Orient since the transport Thomas July 4.

The China will take passengers and freight to San Francisco.

### HARBOR NOTES

The next mail from San Francisco will arrive on the Matson steamer Matsonia Tuesday morning.

The Japanese steamer Kumi Maru arrived here Friday from Muroran with 4200 tons of coal for the Inter Island.

With a cargo of lumber loaded at Port Ludlow, the schooner Robert H. Hind is about to leave Port Townsend for Hilo.

The following is reported by the Mauna Kea as waiting shipment on the island of Hawaii: Olua 17,150 bags, Waiakea 5500, Onomea 7873, Pepeekeo 7700, Honoum 3800, Honokaa, 21,500, Hakalau 18,549, Kaiwika 12, 642, Kukalau 6700, Paauhau 2245, Honuapo 1225.

The Inter-Island steamer Mauna Kea from Hilo and Lahaina arrived here this morning with 99 cabin and 101 deck passengers. She brought two turtles, 11 crates of poultry, 63 bales of vegetables, one piano, one automobile, 146 pieces of ohia lumber, 66 bundles of hides and 256 packages of sundries.

France rescinded the recent government order forbidding the importation of automobiles.
